Delegate at Large: **Peter Erickson**

Next Meeting Thursday, June 14th 7:30 PM

This will be the last meeting before the summer break as there are no meetings held in July or August.

New members:

Please welcome member Lawrence Merrill Jr. from Waltham.

Important message: With the postal rates for mailing the newsletter increasing again, we would prefer to email you the newsletter each month. If you are receiving this by regular mail and you have an email address, please send your email address to: info@nashobasportsmansclub.com and we will add you to our email list. Thanks !!!

Upcoming Events: Please read!

- Joe Sordillo has graciously offered to *powerwash* the clubhouse in mid to late June in preparation for painting in August, but he needs some volunteers to help out. If you joined the club and offered to help with buildings and grounds, now is your chance to get involved. The *powerwash* will be sometime in June to prep the building for painting in August. **THIS IS IMPORTANT....** If we can get enough volunteers to help powerwash and paint the clubhouse, the entire job can be done at cost, representing a substantial savings to the club. Please contact Larry Colleton to sign-up.

This is a great chance to help the club and work on your tan!

Special Thanks:

- Thanks to everyone that showed up on May 12th to clean up the club in preparation for the fishing derby on the 19th your help was much appreciated. The Club wishes to extend a special thanks to Stanley Wood for setting up the event and all those that helped out and make it a great derby for the kids. Also thanks to Marty and Dick for serving up a great breakfast!

Fishing Derby Results:

- **The Annual Fishing Derby was held on May 19th.** The weather could have been a little nicer, but I have always heard that more fish are caught when the weather turns bad and I didn't see anyone go home without a stringer full of fish!!!
- **Greater Lowell Trap League:** The 2007 Trap league scores and averages are posted on our website on the "Trap League" tab. This tab is for members only and is password protected. Username: **GLTL** Password: **nashoba** <http://www.nashobasportsmansclub.com>
Please contact Larry Colleton if you have any questions.

Membership application and range rules are available at the clubhouse, in a box just to the right of the Coke machine or on our website <http://www.nashobasportsmansclub.com>.
